Imagine. At the slightest touch the room dims to the right scene, music starts playing, the temperature rises and the curtains close. Ready for a cosy evening. The integration of all these functions in an intelligent and user-friendly system is Basalte Home, the future of the modern home.

The minimalist look of our products and the use of high-quality materials and finishes result in a timeless design for the intelligent home.

YOUR HOME, AT THE SLIGHTEST TOUCH

In your Basalte Home everything is exactly the way you want. From lighting, music and entertainment to climate and security, personalise your home down to the finest details and control it all with a gentle touch of your app, keypads and design remote.

Lights & shades

Set the scene

We believe lighting control should be simple, intuitive and easily accessible.

With Basalte Home, you can create scenes to automate frequent actions for everyday situations like 'morning', 'relax' and 'dinner'.

A gentle touch on your design keypads or a single tap on the app is enough to set the scene: the lights dim and the shades go down. Ready to relax!

Climate

Stay comfortable at home

Control the heating, cooling and even lighting from your intelligent thermostat. Thanks to integrated sensors, our keypads automatically measure the temperature and ensure the ideal home climate any time of the day!

With the app and our Ellie touch screen you have a full overview of your home climate. With intuitive set point control and planners for when you're at home and away.

Music

Harmonise with your daily routines

Music shapes how we see the world. That is why we bring it to the heart of the most important place in life: home.

Your favourite playlists, radio stations and even old-school record player are only a tap away with the Basalte Home app, keypads and Miro remote.

Easily set the mood with comfort scenes that include your favourite music, such as 'party' and 'dinner'.

PERFECTIONIST

Music that sounds like the artist intended, while beautifully blending into the decor. That is the purpose of our top quality design speakers. Precision machined from high-quality finishes for acoustic perfection.

Entertainment

Let me entertain you

Whether you're with family or friends, Basalte lets you entertain with ease. Personalise music in any room, turn on the party scene with just one touch and stream HD video. Easily set the mood for any occasion.

When evening falls, tap 'movie night' in your Basalte Home scenes to soften the lights, let the shades go down and turn on your tv. Your living room turns into a home cinema in no time. **With our intuitive remote, life can't be any simpler.**

Universal, intuitive and elegant.
It's the only remote you'll ever need.

Security

Peace of mind

Comfort is all about feeling safe. We designed Basalte Home to safeguard you and those around you.

Instantly see who's at the door and what's going on around the house. Maintain control anytime and decide who can do what.

Access your Basalte Home from anywhere around the world in a secure and reliable way.

Just feel at home, feel safe and comforted.
